

# Award in Yacht Sanitation, MARPOL and Public Health - FACT SHEET

---

This qualification is aimed at interior managers in charge on board luxury yachts. Those who take responsibility for the running of the yacht and are involved in the manager in charge of the luxury yacht program.

This qualification will provide learners with theoretical knowledge on how to effectively sanitize guests and crew areas in the unique environment of a yacht. The training will provide interior crew with cleaning procedures for all areas to avoid cross contamination. Learners have an understanding how to create an outbreak management plan for illness on board and how to prepare a hit squad in the instance of an outbreak. Interior crew will be aware of and implement crew health and hygiene procedures to prevent and control outbreak. The training will also cover the interior crew responsibilities in relation to MARPOL.
